BSB50820 Diploma of Project Management and BSB51319 Diploma of Work Health and Safety

RTO No: 45790

Course Overview

BSB50820 Diploma of Project Management course is designed for individuals who want to develop project management skills and knowledge to manage projects in a variety of contexts and across a number of industry sectors.

Learners will learn about project life cycles and the management of this, through learning the tools and techniques for planning, identifying and managing change and risks to your project, as well as how to manage stakeholder expectations and timelines.

BSB51319 Diploma of Work Health and Safety is ideal for those that want to gain advanced knowledge to manage WHS in their existing job, and for those that want to gain careers in WHS that require more advanced WHS knowledge than the BSB41419 Certificate IV in Work Health and Safety.

Course Duration

The course duration is 24 months. We find students that are genuinely motivated to progress through the course, can complete the full course in less than 24 months.

Who is responsible for your training?

Right Choice Training is responsible under the National Vocational Education and Training Regulator Act 2011 for the quality of the training and assessment being delivered in this course and for the issuance of all AQF certificates

Program Outline

BSB50820 Diploma of Project Management And BSB51319 Diploma of Work Health and Safety (Self- Paced online eLearning)

Training is delivered as an online self-paced study mode. The course is offered online through Learning Management System. RPL and Study Pathways

Will previous training and experience count?

Right Choice Training recognises Recognition of Prior Learning (RPL) which considers the knowledge and skills you have already gained through your previous education and work history, attributing this to your enrolled qualification course. This may be through formal or informal training and can result in credits towards your qualification. If you have more than 5 years of relevant industry experience, please ask our friendly admin staff about Recognition of Prior Learning (RPL) eligibility.

Future education pathways

After successfully completing Double Diplomas- BSB50820 Diploma of Project Management and BSB51319 Diploma of Work Health and Safety, you may like to enrol in the BSB60720 – Advanced Diploma of Project Management or BSB60619- – Advanced Diploma of Work Health and Safety qualification to gain additional business and WHS skills.

BSB50820 Diploma of Project Management and BSB51319 Diploma of Work Health and Safety

RTO No: 45790

Study Requirements

Language, Literacy and Numeracy (LLN) Skill requirements

Upon enrolment, learners will be asked to confirm their previous qualifications and if required, LLN assessment will be conducted to confirm they have required level of LLN Skills

Learner Resource Requirements

Learners will require basic stationery and a notebook according to their study preferences during the self-paced study. The learner's access to a computer that has an internet connection is mandatory to allow learners to undertake self-paced study and prepare submissions for assessment.

Assessments

The assessment is conducted using a combination of realistic workplace tasks, written questions and answers, project work/portfolio of work, presentation and simulated case studies.

You will be required to submit your evidence for evaluation to the assessor, who will continue to maintain contact with you during the assessment decision-making process. You will also be provided with opportunities to adjust and resubmit your assessments based on the assessor's feedback.
