## Course Overview

BSB40520 Certificate IV in Leadership and Management course is designed for those seeking to develop management skills required to provide leadership, guidance and support to others in various settings. This qualification reflects the role of individuals working as developing and emerging leaders and managers in a range of enterprise and industry contexts.

This Cert IV in Work Health and Safety course is well suited for those wishing to change jobs, such as becoming a health and safety representative, workplace health and safety officer, safety auditor, WHS officer, community safety officer, fire safety auditor, WHS coordinator, OHS officer, site supervisor, and many other roles that help manage health, safety, and risks in the workplace.

### Course Duration

The course duration is 24 months. We find students that are genuinely motivated to progress through the course, can complete the full course in less than 24 months.

### Who is responsible for your training?

Right Choice Training is responsible under the National Vocational Education and Training Regulator Act 2011 for the quality of the training and assessment being delivered in this course and for the issuance of all AQF certificates

## Program Outline

### BSB40520 Cert IV in Leadership and Management And BSB41419 Cert IV in Work Health and Safety (Self- Paced online eLearning)
