Chief Fire Warden Training Course

Nationally recognised units of competency

PUAFER006 - Lead an Emergency Control Organisation

RTO No: 45790

This nationally recognised course provides participants with the advanced skills and knowledge required to effectively perform the role and responsibilities of a Chief Warden within a workplace Emergency Control Organisation (ECO).

The training is designed for individuals who are responsible for leading and coordinating emergency response procedures during workplace incidents, including fires, evacuations, medical emergencies, hazardous material incidents, security threats, and other emergency situations.

This course is suitable for nominated Chief Wardens, Deputy Chief Wardens, supervisors, managers, safety officers, and personnel responsible for leading workplace emergency response activities.
