# Combo Offer- Fire Warden and Chief Fire Warden Training Course

RTO No: 45790

Nationally recognised units of competency

PUAFER005 - Operate as Part of an Emergency Control Organisation

PUAFER006 - Lead an Emergency Control Organisation

This combined Fire Warden and Chief Fire Warden course is developed to support workplace emergency preparedness in line with the principles outlined in Australian Standard AS3745-2010 – Planning for emergencies in facilities. The course provides participants with the practical skills and operational knowledge needed to carry out the responsibilities of both Fire Warden and Chief Fire Warden as part of a workplace Emergency Control Organisation (ECO).

Participants will learn how to respond to workplace emergencies, assist with evacuation procedures, coordinate emergency personnel, and support effective emergency communication within the workplace. The training also focuses on developing the leadership and decision-making capabilities required to manage emergency situations, direct wardens and occupants, and help ensure the safe evacuation of people during workplace incidents.
