# Fire Warden Training Course

Nationally recognised units of competency

PUAFER005 - Operate as Part of an Emergency Control Organisation

RTO No: 45790

This course provides participants with the essential skills and knowledge required to effectively perform the roles and responsibilities of a Workplace Warden and respond confidently during workplace emergencies. The training is designed to equip participants with the practical understanding needed to support emergency preparedness, coordinate safe evacuations, and contribute to maintaining a safe workplace in accordance with workplace procedures and Australian emergency management practices.

This course is suitable for employees, supervisors, safety personnel, and nominated workplace wardens who are required to participate in workplace emergency response procedures. Upon successful completion, participants will have the confidence and capability to respond effectively to workplace emergencies and support safe evacuation and fire response activities within their organisation.

## Why Study with Right Choice Training?

Right Choice Training is a leading provider of Nationally Recognised Training Australia wide. Our courses are designed to meet current industry needs by incorporating real workplace case studies and best practices

Programs that give you the outcome needed to be effective at work and in your career

Fair and competitive course fees with state of art LMS. Programs delivered to suite your work requirements and lifestyle. Study anywhere at anytime

You can study at any time, any place, with unlimited trainer support, fast assessment and feedback

Start straight after enrolment!  
No minimum course timeframe. You can complete the course as quickly as you choose but within the 3 months

## How long does the course take?

We provide you with three (3) months to complete the course. There is no minimum timeframe for completion.

The course is self-paced so the hours of study vary from student to student and are influenced by many factors including the amount of time you are able to dedicate to your studies. That is why we give you six months and all the support you need. The rest is up to you!

## Program Outline:

Training is delivered as an online self-paced study mode. The course is offered online through Learning Management System. This means students complete their course at their own pace, using an online student portal. Training delivery support may include face-to-face webinars, self-paced study, directed research, and online learning activities and tasks. On successfully completing the training and assessment, statement of attainment certificate will be issued

This course is available on a fee for service arrangement. The RTO's complaints and appeal procedure as well as other policies and procedures are available on Right Choice Training website under the learner support page.
